## LOOK WHAT OUR CUSTOMERS ARE SAYING!

“

I would highly recommend Taylor's Furniture to everyone! Skip & Kevin were awesome to work with! They made our experience easy and enjoyable! We ordered stools, box springs & a couch from here, they all came in perfect condition and in a timely manner! We will definitely be using Taylor's for all of our future furniture needs!!! This couch is the BEST!

”

I've gotten a mattress and 3 tables from this place. All have been great quality for the price. Sales people are friendly but not pushy. Warehouse team is very friendly & helpful. They have a good sized showroom with all the selection of any other business in the area, with as good of prices as you will find.

Customer service is on the ball, letting you know where your order is frequently. Delivery of the mattress was within 24 hours. The tables were ready for pickup

less than one week, even despite the  
ridiculous delays everyone is facing today.  
Most competitors are taking 3-6 MONTHS

Definitely stop in and take a look!

— Daniel
